Evolutionary

The evolutionary Mult E Tipper from Multivans is ingeniously designed to give you all three of the most desired features in a dump body – style, strength and value. From the new sculpted front and rear pillars, to the one piece seamless sides, and the Western crossmemberless understructure, the Mult E Tipper combines good looks and durability with superior design.

Easy

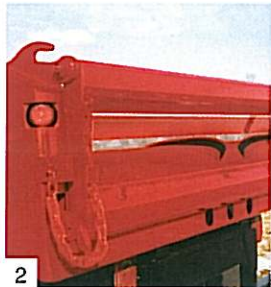

Multivans Mult E Tipper is quick & easy to order, remarkably easy to operate, maintain & easy on the eyes. Simply call to order an 11' stock model along with your preferred chassis for delivery in 2 weeks or custom order 8' to 18' lengths with desired options.

Economical

Superior design, ease of operation & maintenance, all at a great price!

FEATURES

1. Eye catching, aerodynamic design combines form and function
2. Quick-Drop single lever tailgate features hidden and eliminated welds
3. Transparent, High Capacity hydraulic reservoir
4. Fully integrated load cover option exemplifies convenience
5. Tubular Western-style crossmemberless understructure is standard
6. Fold down sides come with a new over centre single latch for smooth, effortless operation
